Gute Fahrt

by George Patterson, *ARPCA President*

The holiday rush is past. It's time to celebrate! A New Year is upon us! 2015 marks the 60th anniversary of the Porsche Club of America. Some of our best friends [P-Cars] are still in a deep slumber with battery tenders and car covers. Others are out doing the job in the sloppy weather. Whatever the case, our calendar is new and filled with LOTS for the membership to do in 2015.

There are several unique Porsche happenings this year nationally and regionally… Rennsport Reunion V will happen in October on the west coast. Our own PVGP will happen in July. Werks Reunion II will happen in August. The 60th Parade will happen in June in French Lick, Indiana [very drivable from Pittsburgh!]. Porscheplatzes at all major sports car races, which includes the 24 Hours of Daytona at the end of this month, where I know several ARPCA members will be…

Our region has confirmed the ARPCA 2015 Driver's Education Track schedule… Thanks to the efforts of our track team [Drake, Tim, Paul…], we have a schedule that is 33% better than it was just one year ago. We now have 4 events instead of our traditional 3. These are controlled schools that will teach you on-track safety, performance driving dynamics and provide you with a true appreciation for what your car was engineered to do. If you're thinking about trying this kind of event, you can attend one of our local events at Pitt Race. No long drive, overnight stay or time off involved.

This year our dates are:

- May 8-10 / Watkins Glen, NY / some of the most beautiful scenery you can see at that time of year… And lots of wineries to explore…

- June 6 – 7 / Pitt Race, PA / North Track / Just 15 minutes from Cranberry…
- August 8 – 9 / Pitt Race, PA / Full Track / new South track added for total length of 2.75 miles
- September 11 – 13 / Mid-Ohio, OH / 2.3 miles of technical fun…

December was a fun month… Auto Palace had their grand reopening party on the 4th and introduced the new Cayenne. The updated showroom and all cars therein looked fantastic. Thanks to Aaron, Ryan and Debbie for their hospitality. Our annual ARPCA Holiday Party happened on Saturday the 6th at Jergel's. Tony Sciullo threw a fine party! Rob Hoffman debuted his 2014 ARPCA year in review montage. Outstanding job – it's on the website if you'd like to view it. Our annual 'Clean out your Porsche Stuff' auction was a major success bringing in $2500 for our charity – the Spectrum Charter School. A special thanks to Jay Policastro and his wife Kelly who brought boxes [literally] of very cool race-related memorabilia. I'm eager to see Drake Core in Jay's race suit… Sadly, I have already seen Scott Mores in Earl Seiler's race suit… The class act of the evening was Jay's winning bid for some Porsche fix-it manuals for $350.00. He won the auction and gave the books to Ed Rice who was his opposition bidder. Ed then matched the $350.00 bid. Nicely done gentlemen! We had our business meeting the following Thursday, again at Auto Palace. New members came to the meeting! Always great to see new faces.

January is a great month to get ready for the upcoming Porsche season… Our business meeting will happened at Fast Company on Rt. 8 on the 8th at 7:30p [check the website for directions]. Andy and his crew have done some major renovations and it looks like the coolest man-cave ever… The PCA / PCNA Breakfast at the Detroit Auto Show happens on the 17th which is a not-to-miss kind of event. You get in to the show early and get to see all the newest toys from Zuffenhausen before the masses… Then, as mentioned above, the Daytona 24-

Hour race happens on the weekend of the 24-25 and there are LOTS of ARPCAers there every year. Great way to kick-off the racing season!

Larry Collins held our officer elections this year and I am pleased to remain as your President. There is only one key to our mutual success for the next year. That is participation. Try something new this year. Try something just for fun. You'll find a group of fantastic people there to support you. Many of my closest friends have come from this club. So again, try something this year! Tony Sciullo comes in as our new Vice President. Beth Core remains as our esteemed Treasurer. Scott Mores also retains his position as Madam Secretary. 2015 will be a stellar year for all.

By the way, I learned the reason for the large "PORSCHE" nomenclature on the back of new model Porsches… Now instead of just the model name, you have the family Porsche name and the model name. This decision was based on the expansion of the Chinese market for Porsches. That market likes to boldly display their branded cars for the world to see. Just as the US market allowed Porsche to grow in decades past, the Chinese market will enable Porsche to expand for decades future…

I ask you now to take a moment to sketch out your 2015 Porsche schedule. Check out our website for the updated 2015 event calendar at www.arpca.com where you can also register for all events. The club is growing and new people are participating at every event. You'll never find a better group of people than in this club. If you have any questions on ANYTHING, please contact me. The cars bring us together, but the people are what keep us coming back.

Hope to see you at the next event. Stay warm and know that P-Car Season is coming!!!

Spritztour Versicherung Mann

by Tony Sciullo, *ARPCA Vice President*

Well okay then, first my apologies for picking a tongue twister of a column title Spritztour Versicherung Mann, joyriding insurance man. Not my most creative though, in fact it's perhaps unabashed commercialism, but now that we've gotten that out of the way…. Thank you so very much for the honor of being elected your new V.P. Without waxing too metaphorical about Scott's hugemungus shoes to fill, I must take a moment to let everyone know the fantastic job that Scott has done these last several years. If I can do a pale imitation of the work he has and does can do for the club, I will account myself accomplished. Next on my agenda is my heart felt confession I'm no racer, I'm all for it mind you, but talented hot foot I'm not. I intend to grow as a driver, much like the "Grinch's Heart" this year and participate in some of the more interesting automotive pursuits as benefits a true believer (Porschephile). I will be graciously accepting any and all helpful recommendations in order to keep my Porsche's shiny side up, as I endeavor to drive with alacrity! I have often said that Porsche represents the nexus of penultimate performance and practicality and be it summer or winter, fully 90% of my driving is in one of Ferdinand's finest. I absolutely love the marque and I'm so honored to serve you all. May you all have a Happy, prosperous and safe 2015.

A new year is here. Drake and Marty are doing a fantastic job with Dealer Relations. My business is keeping me busy and their help is greatly appreciated. I know they will continue to do a great job.

Speaking of help, any help you, as members, can give towards helping the Club grow would be great. In fact, we are offering the following:

Any member who brings us an advertising lead that we sign to a one year contract, we will credit the referring member $50 in MotorsportReg good towards ANY future ARPCA event.

Let me know who you know; you may enjoy a free event with the ARPCA!

As always: As ARPCA Members, can you help us get more advertising? Do you know someone who would want to advertise in our newsletter and on our website? WE NEED YOUR HELP WITH ADVERTISERS!

For those of you thinking about it or think you know someone who would be interested in advertising / supporting this publication, we have added a block in the publication with the current rates and contact information. The rates are very reasonable for the publication demographics. In addition, if you are an ARPCA member, you also qualify for special pricing.

For those who support the Rundschau through advertising, we certainly appreciate it. Your support helps keep this publication going.

Remember, we have a new item for the Rundschau – an Advertiser's Spotlight section. Our advertisers count on you to use their services – here is another way you can get to know our advertisers. Each month, we will showcase one of our advertisers – I think you will find this informative and helpful.

PCA Exclusive Preview, Detroit Auto Show

By *By Michael Soriano Zone 4 Representative*

PCA Zone 4 and Porsche Cars North America cordially invite you and a guest to the North American International Auto Show being held in Detroit, Michigan at the Cobo Hall Conference & Exhibition Center Jan. 12-25, 2015. The show opens to the public on Saturday, January 17th, 2015. Porsche Cars North America (PCNA) has announced that it will be providing a private presentation of their 2015 models for PCA Members and guests from 7:00 AM until 9:00 AM before the show opens to the public, which will make it a very special event to attend for all of the Porschephiles in our Club. A block of rooms has been reserved at THE HENRY, Autograph Collection (Marriott) in Dearborn, MI for January 16-18, 2015, listed under Porsche Club of America.

The Porsche Preview announcement is as follows: Rivaled only by the moment you get to drive one, is the moment you get to see one for the first time in person.

That is why Porsche Cars North America is pleased to be able to extend an invitation for you and a guest to be a part of an exclusive Porsche club preview event at the 2015 North American International Auto Show where Porsche will uncover its latest breakthrough in race-bred performance. As an attendee, you will have early access to the entire Porsche display before it's shown to the general public. Be among the first to get up close and personal with all the latest Porsche models.

Date: Saturday, January 17th, 2015, Time: 7.00 AM - 9.00 AM, Place: Wayne Hall, Porsche Booth, Cobo Center.

Registration is limited to the first 200 people (max. two tickets per registrant) to register at motorsportreg.com. Registration opens January 5th. Tickets will be deposited at a will call desk at the Oakland Hall entrance to the exhibition. A light breakfast and refreshments will be provided. This is an invitation only event, and you must be pre-registered to attend.

There will be no registrations on site. Following the event your ticket will allow you regular access to the NAIAS.

We will have a registration table setup in the lobby of Cobo Center near the Oakland Hall Entrance from 6:45 AM to 7:45 AM, for those that are pre-registered to pick up their tickets.

Because of the distance to Detroit for many Zone 4 members, you may want to plan a weekend trip to the Motor City. We are helping by coordinating the following weekend events for those individuals and regions that would like to make this a weekend destination event:

- There is a block of rooms for Zone 4 PCA members at THE HENRY Autograph Collection (Marriott) in Dearborn, MI. The block is for 20 rooms on Friday, January 16th and 10 rooms on Saturday, January 17th. The PCA rate is $125.00 per night plus applicable taxes. Reservation cutoff date is Friday, January 9th and the room block will be listed as Porsche Club of America. Contact THE HENRY, Autograph Collection, a Marriott Hotel, Fairlane Plaza, 300 Town Center Drive, Dearborn, Michigan 48126-2712 USA, Phone: (313) 441-2000 or Toll Free (800) 228-9290.
- Dinner gathering on Friday Evening at 7:00 PM for all Zone 4 members (Individual Pay); at THE HENRY TRIA Restaurant- We have reserved a private area for us that evening. Please RSVP to me at MSoriano.ZoneRep@gmail.com by Wednesday, January 14th if you plan to join us at dinner so we can confirm the reservations.
- For those of us staying in Dearborn, we will organize vehicles on Saturday morning to leave from THE HENRY, drive downtown and park at the Cobo Center Roof Deck. This will take around 25 minutes with light traffic. We will leave THE HENRY around 6:00 AM and you can return from the Cobo Center at your own leisure.
- You MUST register and pay for your tickets to the Porsche Preview on motorsportreg.com to attend the preview event- no exceptions can be made. Tickets are reasonably priced at $20.00 each. We will have a registration list at the registration table at the Cobo Center on Saturday morning. You will receive a confirmation from MotorsportReg after you register - we will need to limit the number of people to 200 in the hospitality area at the Porsche Display. They will admit those PCA Members that pre-register only. If you have not used the MotorsportReg.com website before, it is a very simple process to set up an account with a password and credit card information. Many PCA regions and other clubs are using this method for event tickets these days. Ticket sales will begin on Monday, January 5th at noon and continue until Monday, January 12th at midnight.
- For those staying overnight on Saturday, we may again plan an informal dinner gathering on Saturday Evening at 7:00 PM for all Zone 4 members (Individual Pay). Let me know if you want to join us for dinner and we can plan something accordingly.

Several regions have done this as a very successful event weekend in the past and are planning again in 2015- it can be a great family weekend adventure in the midst of winter. We will leave the details of any group travel plans to and from the event to each region to organize what their membership might like to do.

If you have any questions please contact me at MSoriano.ZoneRep@gmail.com, or (419)-843-2070. Hope to see you there!

ARPCA Track Update 2015

By Tim Hronek

It is the thick of winter but the ARPCA Track team has been hard at work to finalize our 2015 Schedule. We will be hosting four (4) High Performance Drivers Education (DE) events this year. Additional details for the events are still being worked out, but all the events are open for registration.

These events are now open for registration:

ARPCA WGI 2015 (May 8 – 10) This event will use the same format as last year, with a lapping day on Friday and the DE on Saturday and Sunday. We will be renting garages again this year, which tend to sell out. Remember that Watkins Glen is shutting the track down this summer to re-pave, so get your WGI "fix" this spring.

- **PittRace #1 (June 6 - 7)** We added a new event in June to fill out the calendar. We will host a DE at the PittRace North track. This is the same track we have been using for years and is a great venue for first timers to get out on the track. We will also hold spaces for new drivers who attend this event to attend the PittRace #2 event.
- **PittRace #2 (Aug 8 - 9)** This is the highly anticipated event, combining the North track with the new South track! We will be running the "Express" version of the new North/South track combination with a track length of 2.75-miles. This track consists of high-speed straights with very technical turns. The facility at PittRace promises to be a destination track easily accessible from the Pennsylvania Turnpike a few miles from the Ohio border. This event will likely sell out as ARPCA will host the first DE on the new track and WGI will be closed for paving.
- **Mid-Ohio (Sept 11 - 13)** ***Mid-Ohio moved back one week in September!*** The Mid-Ohio road course is one of the great auto racing facilities and is nestled in the rolling hills of Lexington, OH. This 2.3 mile technical road course is enjoyed by both new as well as experienced drivers. This is a perennial favorite. A lapping day will be held on Friday.
- ARPCA will also host our popular **Car Control Clinic (CCC), several Autocrosses, and a Tire Rack Street Survival event** again this year. Watch for additional details to follow.

Registering for ARPCA events has become even easier. Just go to http://arpca.MotorsportReg.com

Around The Zone

By Michael Soriano Zone 4 Representative

Happy New Year! I hope that everyone enjoyed the Holiday Season and is ready for another exciting year in PCA. With the beginning of a new year, and as many regions start putting together their event calendars, why not reach out to the region leadership and offer to assist with an event. As is true with any organization, the more you put into it, the more you get out of it.

The first Zone 4 event of the year is the always popular Porsche Preview Event at the North American International Auto Show, which will be held from 7 a.m. to 9 a.m. on Saturday, January 17, 2015. We have been working very closely with Porsche Cars North America to organize and plan this event. For this event, PCNA graciously opens the entire display to us, allowing our Zone 4 members exclusive access before the show opens to the public. In the 1st year, the ticket allotment was 118; last year it was 130, and this year we were able to obtain 200 tickets. Tickets are $20 per person, which includes your admission to the show as well as a catered continental breakfast. Pre-registration is required via motorsportreg.com.

Another event to look forward to is Parade, which will be very close this year in nearby French Lick, IN from June 21-27, 2015. For details about everything related to Parade including tours, visit the Parade website: http://parade2015.pca.org. Registration will open at Noon on March 17, 2015. I am encouraging several regions to plan Parade 101 sessions to help members know what to expect in order to get the most out of their Parade experience. This year there will be an award given to the region within Zone 4 that has the greatest attendance. I will announce the winner and present the award during the Zone 4 Party at Parade.

Even though most of us have our cars tucked away for winter, that doesn't mean you can't spend time enjoying PCA camaraderie. I look forward to having the opportunity of meeting each and every one of you at these upcoming events. Be sure to check your local region's website and newsletter, as well as the Zone 4 website http://zone4.pca.org for the latest details on the many events close to you that are being planned. Also, consider attending other regions' events, such as:

- Mid-Ohio Region's Board Meeting will be on January 12
- Western Michigan Region will host its January Dinner Drive on January 14th to Leo's Seafood Restaurant, Grand Rapids, MI.
- On January 15, Maumee Valley Region members will meet for dinner at Ciao in Sylvania, OH.
- Zone 4 Porsche Preview Event at the North American International Auto Show at Cobo Hall, Detroit, MI on Saturday, January 17, 2014.
- Join the Ohio Valley Region on January 24, 2014 for their Annual Chili Party at Porsche of Kings Automall in Cincinnati, OH.
- Southeast Michigan Region will hold their Annual Membership Dinner on January 30
- The PCA National Winter Board Meeting will be held on Saturday, February 7 in Hanover, MD. All PCA members are welcomed to attend this semiannual business meeting.
