The April business meeting minutes were approved upon motion by Tom Uehling, seconded by Dave Palmer, and adopted by all present.

Financial Update: Tom Uehling is working on an investment strategy for the ARPCA account and will present his ideas in the future. There was a report from Tom that two advertisers in the *Rundschau* have not paid for their advertisements. Tom will get with Paul Nickoloff to collect the owed receivables.

Membership: Terri Mattock and Rick Sobek were not in attendance.

HPDE: Dave Palmer reported that the June 4th DE was a great event. We have had more newbe drivers attend this event than in previous Drivers Educations. The Club also hosted a woman's only lunch time parade laps lead by Carol Neal. It was great to see so many ARPCA women attend this event. The next big DE will be the last weekend of July.

Social: John Malobicky reported the next event will be at the LOT on June 26st. The LOT events will be held in the same format as last year. Also the club will be hosting a Brunch and car show at Gandy Dancer on August 21st. John is also working on a fall event at Narcisi Winery.

PVGP: John Malobicky reported that Pepsi has come on board with donating 10 cases of soda for the event. Registrations are down just a few from 2019 but the revenue is way up due to the increase cost of the event. The ARPCA PVGP committee met on June 9th and finalize all details to run the event and are eagerly awaiting the event.

Porsche Touring Crew: Tom Mueller and Wayne Desbrow were not in attendance.

Communications: Larry reported the July *Rundschau* will be a few days late. He said submisstions are coming in late and it is making it impossible to have the issue ready for print on time. He urged everyone to get articles and submissions in by the deadlines. He also needs committee chairs to write and submit articles.

ARPCA Woman's Group: Linda Scanlon reported that their group really enjoyed the parade laps at Pitt Race on June 4th and thanked the track committee for the effort they put into the event. The next event will be at the Meredith Inn in Kittanning June 16th at 6:30 pm. See our ARPCA website to sign up for this and future events.

Old Business: John Malobicky will pursue a social event on Saturday night during the October DE. More to follow.

Next Meeting: September 9 at 7:00 pm. Location to be determined.
