THE LOT, GALA, PHAT, WALNUT, TOUR(S), WILLOW, SCHENLEY, HPDE, TASTING, AND PARTY…

Did I miss anything – wow – July 2022 has been a month of events. Thoughtful planning and excellence in execution payed off big time for our club! I cannot begin to name everyone so I will start with the Social Committee Chairs, Sub Committee chairs, Special Program Chairs, Board, Old Members, New Members, and friends of ARPCA who volunteered to help us for more than a year in the making and delivering throughout the month – THANK YOU! Job well done!

So, you might ask yourself, what's next? What if you were on vacation or unable to attend July's events? Well, check out our August calendar on the web: www.arpca.com/events. The summer is certainly not over, in fact we have several large and small activities planned for you and your Porsche.

Join us at The Lot at Edgewater on August 6th. It's a hike for some of us, but rising early on a Saturday and dealing with Rt. 28 construction to get a spot is all worth it because this casual event has just grown over the years. It was our COVID proof social gathering and has become a great time to visit with perhaps as many as a hundred members now, rain or shine. Classic Porsches, new Porsches, SUVs and a few non-Porsches show up every month.

On August 13th Porsches and ARPCA are the featured club/brand for Pittsburgh Cars 'N' Coffee at Generoasta Coffee in Warrendale. This annual invitation to shine your ride, enjoy coffee or breakfast, and meet regional car enthusiasts is a good way to start the weekend.

On Sunday August 14th, Carl's Tavern in Wilkins Twp., a landmark restaurant feeding Pittsburgh since 1953, will open just for us to host Cars 'n Carl's. You do need to register on MotorSportReg.com to attend this event because parking is limited. Again, please consult our website for event details.

If a weekday late-morning drive to Washington, PA sounds like fun, plan on joining our Porsche Touring Crew for lunch on Tuesday August 23, 2022 at Angelo's (www.angelosrestaurant.com), a third-generation Washington County eatery. Registration is also required for this event; the link is available on our website.

The final social party for the month is August 27th, when our annual Grand Concourse event takes place. This casual lunch is always a good time. Station Square Drive will be blocked off and reserved exclusively for our Porsches. More details and a registration link are available online. I do hope to see many of you at these events and again thank you to all of our Social Committee chair people for the planning of outstanding events.

Need a time piece to wear while driving your favorite machine? We have a few commemorative ARPCA Watches in both men's and women's styles available at $325.00 each. Contact Mark Frumkin (frumkin@ptd.net) for ordering information. Proceeds from our watch sales benefit the Pittsburgh Vintage Grand Prix Charities. At the time I am writing this article I do not have the total amount raised for the PVGP events by ARPCA. I will include this information in our next issue. To see the available clothing sporting the ARPCA logo please check our ARPCA clothing store for current men's and women's styles and availability.

Summertime includes HPDEs and this year we are happy to be returning to Mid-Ohio Sports Car Course in 2022. This is a destination DE for many of our club members. The track is historic, challenging, and rewarding. Our Track Committee has secured Mid-Ohio for a full 3-day weekend with solo/lapping on Friday followed by fully instructed sessions on Saturday and Sunday. Register early and book your hotels. This weekend welcomes beginning and experienced high-performance drivers. Reach out to our Chief Instructor at chiefinstructor@arpca.com with any questions.

As a club we strive to create events for everyone. Membership continues to grow, and the diversity of owners and Porsches owned by this group is incredible. Our women's group, sporting distinctive shirts and swag, has momentum and recognition in the community; our vintage owners are collaborating and showing off Porsche heritage; and so many of our 4-door members turn out for events each week that we can truly say this club is about people who have a common passion for the Porsche brand. Make sure you register family members under the age of 18 to take advantage of the PCA Juniors program, created so kids can enjoy PCA events, learn about Porsches and build the enthusiasm that runs through all of the Porsche Club of America. Not all of us race, but everyone enjoys the social time on and off the track. Check out our webpage (great work web team and all those submitting your events), and consider joining us soon.

Be safe and hope to see you all at an event this month.

Porsche Parade Autocross

by Michael Montgomery

My son Dave Montgomery drove extremely well, winning FTD for the 2nd year in a row (and third time overall) at the Porsche Parade Autocross held at Pocono International Raceway on their infield track. Dave received his trophy at the Michelin Autocross Awards banquet. The larger PCA trophy has all 66 previous parade FTD winners listed. Dave is the only Allegheny Region member whose name appears on the plaque. You can watch in-car video of Dave's winning run here: https://www.youtube.com/watch?app=desktop&v=0ZKM18IlKX4

YOU MEET THE NICEST PEOPLE...

I have been very fortunate to meet some amazing people throughout my life; cars, motorcycles and motorsports were the pathway to meeting many of them. It's amazing how shared passions can turn people into life-long friends. In my early life I was drawn to anything that had an engine and wheels. I insisted that my best friend and I ride bicycles every day because that was the only form of transport I had. A few years later I was introduced to dirt bikes and three-wheelers. Again, I spent as much time as possible riding the trails around my house and hanging out with friends who had dirt bikes. When I turned 16 and I got my driver's license everything changed for me. I had freedom and could spend time doing more things with cars that interested me. In college I met another friend who introduced me to autocross, and I finally witnessed road racing at Watkins Glen. At the time I didn't know much about racing, but once he introduced me to motorsports it was life changing. I am still very good friends with my college friend and we continue to enjoy motorsports together as often as possible.

It's amazing how shared passions can turn people into life-long friends.

Shortly after college I became interested in racing cars but my pockets weren't deep enough to pursue this new interest. Eventually some of my old high school friends convinced me to try mini motorcycle racing on go-kart tracks. It didn't take long for me to get hooked. It turns out I was a natural and continued to race mini motorcycles, eventually moving up to full sized motorcycles on racetracks. The group I raced with was known as the Pittsburgh Connection and became a huge support system. As the years passed my racing friends married and had children. They brought their children to the races and I watched many of them grow up. It was a family affair. We shared experiences that can never be duplicated, and a number of the people I raced with are still some of my best friends.

Motorcycle racing brought me ten years of joy, but after a few bad crashes and getting close to 40 years old, I decided to hang up my racing leathers. I still kept in touch with all of my buddies but I missed spending time at the race track, so in 2005 I bought a new Carrera S and took it to an Allegheny Region PCA Drivers Education. Once again, I was introduced to a new group of fantastic people. Over the past 20 years I've become very involved with our club and extremely involved with its track side. Our club has an amazing group of people that will support any interest you have in going to the track.

It has been so awesome to meet others who share the passion that I have for the automobile. The club has grown every year and new people are coming around all the time. Even if track isn't your thing, I recommend you attend some of the many ARPCA events. You never know who you will meet, and you just might make a life-long friend.

A WORD FROM THE EDITOR

Photo by Justin Flagg.

I hope that everyone is enjoying *Rundschau's* new larger format. Since its inception it has been running twenty pages per issue. We are budgeted to run as many as twenty-eight, and I would love to be able to do that. Unfortunately, I barely receive enough content to fill twenty pages now. You however can change that. Do you have a technical tip to share with us, a road trip you'd like to talk about, a restoration project you worked on, your own take on some club or national event you attended, or even some gripe you have about the club, its activities or its newsletter editor? Send it to me, and as long as it's not obscene (I won't define it, but I know it when I see it), I'll run it.

Justin Flagg has been providing the cover photos since he took over responsibility for *Rundschau's* layout. While Justin is an excellent automotive photographer, I have decided to reinstate the Cover Photo Contest. Submissions must be at least 1 megapixel in size, shot vertically or have sufficient space along the horizontal axis to be cropped vertically, in focus, well exposed, and be reasonably related to ARPCA, PCA or Porsche. Personally, I need to take 50 images in hopes of getting one that is good enough to show other people. Maybe I'm just a poor photographer. But digital film is cheap, so fire away and send me the best of what you get.

Keep the rubber side down,

Larry

PTC Sharky's Roundup

by Larry Sachs Editor

Twenty-two PTCers made the trek to our get together at Sharky's in Latrobe, although some, like new member Bruce Kaufer, lived so close by that the drive barely moved their temperature gauges. Within spitting distance of the Arnold Palmer Regional Airport, we were treated to the sights and sounds of a number of small aircraft making their final landing approach almost directly over the parking lot where we chatted before heading to the open-air under cover seating area for lunch. The fare was good and so plentiful that I didn't see dessert brought to anybody's table. PTC co-chair Wayne Desbrow encountered some trouble getting his '72 911E Targa started, but another member (who must have been a boy scout because he was prepared) had some starter fluid to get him going, and Wayne made it home without further incident.

The next PTC event will be at Angelo's in Washington, PA. See you there.

PTC Treks South in August for Superb Regional Italian Cuisine

by Wayne Desbrow, PTC Co-Chair

ARPCA's Porsche Touring Crew – for the most part, a gaggle of good-humored malcontents and aging contrarians -- always seems to be doing things "its own way." And PTC is adding to that reputation with a mid-summer quest for the best Italian eatery in the area.

The Crew has announced plans to re-convene August 23rd for an excursion to Angelo's (www.angelosrestaurant.com), a third-generation Washington County eatery with a widespread reputation for excellence and innovation, as well as quality. It all started back in 1939 when Angelo and Giacomina Passalacqua opened a small neighborhood tavern in Washington. They soon started serving real Italian spaghetti and fresh bread to local workers and travelers, and christened their shop (what else?) The West Chestnut Spaghetti Inn!

Fast Forward – The restaurant has a simpler, more contemporary name: Angelo's. A third generation Passalacqua, grandson Michael, took the reins of business in 1992 and began to implement a vision that combines the restaurant's traditional favorites with a number of inventive culinary combinations. But Michael's philosophy remains rather simple: "My mother's hand is on my shoulder guiding me to remember my roots and how to treat people ... good food, consistency, quality, value and appreciation for everyone who walks through our doors." Angelo's lead chef, Will Hart, recommends their Turkey Artichoke Panini, Pasta Silvio with Scallops or (for lighter fare) either their Michael's or Mediterranean Salmon entrée salads.

The PTC gang – and all ARPCA members and their guests -- will gather in Angelo's set-aside parking lot for catch-up and car-talk conversation between 11:00 and 11:30 -- then adjourn for lunch just before noon. All Washington County and restaurant health requirements will be strictly followed.

The Porsche Touring Crew is an informal group that hosts social events, and is always looking to welcome new members and their guests. Reservations are limited for this luncheon: Please enter Motorsportreg.com, click on the event, and register as soon as possible. Contact Tom Mueller (ermtcm@verizon.net), or Wayne Desbrow (wdesbrow@zoominternet.net) for more information.

NOTE: As the health and well-being of all members is of utmost importance, and allowing for the recent upturn in Covid-19 infections, all County and restaurant health policies will be strictly observed – for both indoor and outdoor dining.

Perfect Day For a Car Show

by **Larry Sachs,** Editor

A trio of brightly colored Boxsters were just a few of the dozen or so gleaming cars that ARPCA members brought to the Mt. Lebanon Police Department Classic Car Show on July 10th. Member Julian Beglin said it was a beautiful day for a drive, coming in from Johnstown with his son Evan, in a new to him silver 986 Boxster. Around noon some members retired to Taco Diablo in Mount Lebanon for a delicious lunch and some much-needed air conditioning and liquid refreshment.
