- On the right side of the P&L report, you will find reformatted sections that show the assets and liabilities of the club. The club's assets are its bank balances and the liabilities are the unpaid portion of the track contracts. Included are details on the Certificate of Deposit program and the three track contracts.
- Advertising invoices for 2025 were sent out by Paul Nicholson this past week.
- The final payment for Nelson's Ledges is due this month.

Andy Schor moved to accept the financial reports, seconded by Linda Scanlon. Approved.

HPDE update: Track Chair Tim Hronek reported. Tim gave updates on the three track events scheduled this year. Automation has progressed where information can be pulled from MSR to assist with track functions. Shout out to Frank Bresz for his help with developing the database. The car numbering system has been fine tuned to be more amicable for both drivers and track control. Nelson Ledges is at 52 drivers. Trying to recruit enough to hit the break-even point to cover costs. Coordination with Kevin Rhule and the Nelson Ledges car tour and how it will end for Parade Laps. Pitt Race is about 75% full and expect it will continue to fill up. Mid-Ohio registration has been slow moving. Developing a bonus discount if you sign up for Nelson Ledges and Pitt Race ahead of Mid-Ohio.

Communications: Tom Galey and Stu Wirtz reported. The May issue of *Rundschau* should be out by May 1. They are soliciting members of 35 plus years to write articles highlighting their long association with ARPCA. Continue to rely on Larry Sachs for help, especially with pictures.

Driving Road Rallies: Kevin Rhule reported. The recent air-cooled drive went well despite some issues with the weather. Kevin gave updates on the following upcoming tours: Nelson Ledges, Frank Lloyd Wright, PVGP, Watkins Glenn. Details on a Fall drive are being worked out and more information to come. Kevin announced a 2026 Der Treff drive the weekend of either May 14-17 or May 28-31. This will be centered out of Stonewall Resort in Roanoke, WV. Rooms are being reserved and the committee requested $500 as a deposit to hold the date and rooms.
