CLASSIFIED ADVERTISING

Classified ads are free to PCA members. Ads may not be longer than 50 words and are subject to editing and abbreviations to fit available space. Photo(s) submitted with an ad will only appear in the online version of The Mart located on the ARPCA website. Ads will run for three issues unless renewed or a notification of sale is received. Submit ads directly to the editor via e-mail at editor@arpca.com.

SUBMISSIONS

Rundschau is the official publication of Allegheny Region of the Porsche Club of America (PCA) and is published nine times per year as follows: First Quarter, April – October, November/December. Opinions expressed herein are those of the individual authors and do not necessarily represent the position of Allegheny Region, PCA, its officers or members.

Club members are encouraged to submit tips, technical information, favorite Porsche experiences, amusing ramblings, graphics, and photos. Please email submissions to the editor at editor@arpca.com. All material must be received by the 1st of the month prior to publication. Material for the First Quarter issue is due January 15th. Material for the November/December issue is due November 1st. The editor reserves the right to edit or omit any materials submitted for publication.

Copyright Permission to reprint any material herein is granted to any PCA region provided full credit is given to Allegheny Region and the author(s) and provided copyright is not involved. All photographs and artwork are copyright of the respective photographers or artists. PORSCHE, the Porsche Crest, CARRERA, and TARGA are registered trademarks of Dr. Ing. h.c. F. Porsche AG.

PRESIDENT'S MESSAGE

by Linda Scanlon, ARPCA President

Linda Scanlon
ARPCA President

Start Me Up

For my first President's column, I struggled to write something interesting enough that you might read past the first sentence. Informative but not too detailed. Entertaining yet no-nonsense. Here goes...

I am blessed to own two Porsches. My daily driver is a 2021 Macan in Miami Blue. I can always find it in the supermarket parking lot! My fun car is a 2017 Carrara Cab in Sapphire Blue. You will NEVER find it in a supermarket parking lot.

For me, the first thing I do when getting into either of my cars is turn on the music. There is nothing better than driving and hearing a song on the radio that fits my mood and adds to the joy of the drive. Leaning on that lift from a good song and what it can do for you, I am going to build my comments each month around a song that fits the mood of the month, the season, and the club. "My Cruising Classics." So, as we begin 2026, it feels fitting to open with The Rolling Stones' "Start Me Up."

The title says it all: a new year begins, a new Executive Committee begins, and new opportunities for club members begin this year.

First, let me introduce the rest of the Executive Committee:

Vice President: Paul Pigman
Treasurer: Jim Kaufman
Secretary: Michael Marrone

Each of these gentlemen brings diverse life experiences to their positions, building on the strong foundation of past leadership and, with your help, continuing to enhance our club. We promise to give it all we've got.

Now, if you haven't listened to "Start Me Up", do it. You'll want to get behind the wheel.

Getting my first meeting as President started. Photo by Justin Flagg.

I can go no further without thanking the outgoing Board of Officers.

President: Gus Vasilakis
Vice President: Drake Core
Treasurer: Tom Uehling
Secretary: Tim Gustafson

These gentlemen have led our club for the past four years, always with the club's betterment as their sole motivation. I am grateful to them for their insight and for their inclusion in this next level of club involvement. They have been nothing but supportive, and I am sure they will continue to be so as I and the rest of the board navigate this new road.

This time of year always brings a mix of reflection and anticipation. We could look back at 2025 and dwell on the "potholes" of the year. Instead, let us rally around the various club committees and their leaders, who are planning new and revised opportunities, all designed to encourage your participation and enjoyment. As a committee leader, nothing brings greater satisfaction than when an event is well attended and attendees express their appreciation and enjoyment. So, we, the Executive Committee and all Committee members, invite you to "Start up" your club engagement for 2026.

Here's to a year of enjoying our P'cars, making memorable moments, building strong friendships, listening to cruising classics, and the unmistakable rhythm of ARPCA in motion.

Now, if you haven't listened to "Start Me Up," do it. You'll want to get behind the wheel.

"...spread out the oil, the gasoline, I walk smooth, ride in a mean, mean, machine...."

Startin' it up,
Linda Scanlon

P.S. Song suggestions for future columns will be taken into consideration.

“It’s all about the people.”

By Tom Uehling, Former ARPCA Treasurer

Above: Reflecting on fond memories of the now closed Pitt Race. Photo by Max Barkley.

I have many fond reflections of my experiences as an ARPCA member since 2015 and of my eight years as the club Treasurer. My wife, Alice, and I often comment that when we bought our first 911 in 2015, we never imagined how many friends we would make or how valuable ARPCA would become to us. One of my early goals in the club was to meet someone new at every event. The club has so many wonderful people who care about each other, united by our shared love of all things Porsche. In addition to the club Treasurer role, I have participated in numerous social events, including track and PVGP. I’m particularly proud to have earned the qualification as a PCA National Instructor. Alice and I have done many of these activities together, and Alice has also done the track and Women’s Group.

One of the challenges the board faced was COVID. It seems like so long ago when we had to worry about social distancing. This had a significant impact on our track events because we could not have an instructor in the same car as a student. At that time, the limitation to solo-approved drivers negatively affected our track revenues.

Despite COVID, looking back over the past eight years, it is remarkable how our club has become stronger. From a financial standpoint, we remain very solid, which gives us a strong position for the future. We have put in place a number of initiatives that will continue to bolster the club. In 2019, we developed new bylaws. These require annual budgets and a financial review process, all of which provide better financial controls. For the financial review process, we have two non-board club members review all the financial records for the past year to ensure that the records are accurate and that funds were used appropriately. In subsequent years, we also upgraded our accounting system to QuickBooks and are now using an electronic system for our tax returns.

Other financial programs we initiated included a new Certificate of Deposit program and the use of Square for in-person transactions. The CD investment program has earned us $23,654 in interest income over the past three years. We started using Square for transactions at the PVGP, and last year we processed a total of $11,572 through Square. With Square, we provide a much better user experience.

As Treasurer, I was also involved in transitioning the Rundschau to a full-page format and acquiring a new trailer for the PVGP. The full-page Rundschau format is wonderful. I am always amazed by the great content and photos (thanks to all who work to make this happen). Those who were involved in the new trailer process will remember how we debated over several meetings about spending that money, and in hindsight, it was a very good decision.

And, as a club, we can be proud that over the past eight years we have **donated $185,896 to charity**.

All of these accomplishments were a group effort that I was lucky enough to have participated in, and I want to thank all of those involved.

If you haven’t yet, please feel free to attend the monthly meetings. It’s a great way to meet others and learn what’s going on at the club. Also, you don’t want to miss the pizza and refreshments.

Hartwood Restaurant & Whispers Pub

by Tom Mueller, PTC Co-Chair

Questions?
Tom Mueller
(412) 651-4232
ermtcm@verizon.net

Mark Frumkin
(570) 401-4001
frumkin@ptd.net

On February 24th, the Porsche Touring Crew will be at the lovely, classic Hartwood Restaurant and Whispers Pub in Glenshaw, PA.

Once a bookstore, then a bookstore and coffee shop, it is now a full-service restaurant serving from a magnificent and complete menu featuring the finest in epicurean delights and beautiful desserts.

Tom and I visited the place and were very impressed, to say the least.

We hope to see you on February 24th at 11:30 a.m., with lunch starting at noon.

Join us for lunch! Photos by Mark Frumkin.

Atria's Restaurant

by Tom Mueller, PTC Co-Chair

In March, the Porsche Touring Crew will visit a more familiar but still delicious venue. Atria's Restaurant in Peters Township, known for the World's Best Crab Cake Sandwiches (my wife's opinion) and the juiciest filet mignon (my view), is the destination.

Angel Weaver, the manager, has gone so far as to offer a private room for our exclusive party. How much better could it get?

Of course, the menu offers a wide range of options, including large and small burgers, platters with chicken, fish, and salmon, and an assortment of salads. The restaurant offers individual checks and plenty of parking.

Join us at Atria's Restaurant in Peters Township on March 24 at 11:30 a.m. for a noon lunch. Don't miss out! I'll bring the oil can!

See you there! And please register on MSR so we know how many!

The view from our last visit to Atrias. Photo by Mark Frumkin.

Porsche Touring Crew 2025 Year-End

by Tom Mueller, PTC Co-Chair

The Touring Crew ended the year on December 2nd with our largest lunch gathering of the year, with over 40 members present. The Teutonia Mannerchor German Club Rathskeller was a hit, with an authentic German atmosphere and a buffet featuring traditional German fare, including the usual selection of sausages.

We also welcomed a special guest, Peter Sontag, President of Fast Lane Travel, Inc., who provided a brief overview of what participants can expect on a European tour, including driving experiences and sightseeing highlights. He shared insights on driving in Germany, covering rules of the road, and explained how Fast Lane helps make the experience easy and stress-free. Three couples present had previously traveled with Fast Lane Travel on one or more tours.

During the December meeting, we held our final charity collection of the year for the Greater Pittsburgh Community Food Bank, our 2025 charity. With collections from all our lunches and a special gift from a friend, our group raised $4,000, which was delivered to the food bank. In 2026, the Touring Crew will again support a charity through voluntary donations at our lunches. The selected charity for 2026 is "Always Smiling," which spreads joy to people with disabilities in the Pittsburgh area through sponsored events. Don Krewin, a regular PTC attendee, is active with the group. If you want more information, ask Don when you see him.

The Touring crew's 2026 schedule is busy, with monthly lunches every month except November. Those wintering in Pittsburgh have dates booked through March. On January 27th, we visited Franco's Trattoria in Canonsburg. The next event is on February 24 at Hartwood Restaurant in North Hills. The first quarter concludes on March 24 with a lunch at Atria's in Peters Township.

Tom Mueller and Mark Frumkin recently presented a check in the amount of $4,000 to Jennifer Zgurich, Head of Corporate Giving for the Greater Pittsburgh Community Food Bank. The donation came from funds raised by the Porsche Touring Crew and the "passing of the oil can" at PTC's monthly luncheon meetings held during 2025.

All lunches referenced above are available for registration on Motorsportreg.com (MSR). Read the registration information and check the APRCA calendar for details. Registration for all lunches is required so the restaurant can adequately prepare for the group. As of now, none of the selected locations will require prepayment through MSR.

We hope to continue building on our 2025 success. We appreciate your suggestions for new locations and activities to pair with lunch.

Come enjoy lunch with your ARPCA friends. Mahlzeit!

ARPCA members enjoying lunch at the Teutonia Männerchor.
Photo by Mark Frumkin.

Ladies, join us as we plan for new experiences in 2026!

by Linda Scanlon, Women of ARPCA Co-Chair

The Bocce House of Pittsburgh – February 25th
Let the Good Times Roll. Come join us at this brand-new, professionally designed bocce court facility. Whether you're a seasoned roller or just want to have fun, there's room for everyone. We'll provide light refreshments while you relax and watch the "rollers roll". There's a self-serve, pour-at-your-own-pace Brew & Wine Wall featuring a lineup of craft brews and wines from around the world. For those with a male driver, there's a Cigar Lounge offering premium cigars and a self-serve wall of Bourbon, Whiskey, and Scotch. Gentlemen, you're on your own for food. *Only WOMEN will play Bocce.*

5th Annual Meet & Greet @ Porsche Sewickley – March 18th
We are pleased to return to Porsche Sewickley for our annual Meet & Greet. Reconnect with other women Porsche enthusiasts after a long winter, enjoy light refreshments, and take time to stroll through the showroom filled with beautiful cars. Now part of the Ken Ganley Auto Group, we will have the opportunity to learn more about the dealership's plans for the region. We particularly want to extend a warm welcome to all "first-time" event attendees.

Lioness Martial Arts – April 22nd
Designed for all abilities, Lioness Martial Arts teaches self-defense and personal safety skills to individuals. Classes empower women to live with more confidence, strength, and safety. Strategies and techniques prepare you to handle situations ranging from verbal harassment to physical assault in a supportive, inclusive environment. If space allows, we will open this to members and female guests.

Start the Heart – CPR Class – May 2nd
Led by certified instructors, we will learn the skills and gain the confidence to provide high-quality, effective CPR and AED. Participants will receive a 2-year certification. Space is limited for this event.

Linda Scanlon
ARPCA President, and Women of ARPCA Co-Chair

2026 ARPCA Tour Calendar

by **Kevin Rhule,** Tourmeister

May 14–17 | Der Treff Weekend
This is a spirited weekend of driving, with lodging at the Stonewall Resort in Roanoke, WV. Please check our ARPCA website and Motorsport.Reg for all the details. As of mid-January, we have 40 people already coming from Michigan, Indiana, Ohio, New York, West Virginia, of course Pennsylvania - and even the U.K.! Registration is open until March 15, but room discount reservations at Stonewall must be made by February 28. Registration ends in March due to custom premiums that will be provided. It's a three-day event with a bonus day for those who just can't get enough of the West Virginia back road!

June 13 | Nelson Ledges Tour
This is another fun drive, ending up at Nelson Ledges Road Course for a few laps and catching a lunch before heading back to Pittsburgh. Hopefully we can even squeeze in a couple of extra laps, since last year's tour/track opportunity was washed out. Registration opens by March 1.

August 15 | Planes, Trains and Automobiles Tour
This is a day-long excursion headed to Cleveland and the Crawford Auto Aviation Museum. The museum features more than 170 historic vehicles and 15 planes. After the museum visit, we will travel to the Cuyahoga Valley Scenic Railroad to catch a 90-minute train ride for happy hour, then head back to Pittsburgh. Details are being finalized.

Sept. 26 | Steel City Tour (Pittsburgh Steel History Tour)
This will be a local tour comprised of various landmarks, featuring a history of Pittsburgh steel making and a tour of the Carrie Blast Furnaces National Historic Landmark. More details to come.

October 12 | Columbus Day Tour and Dinner at Narcisi Winery with the Audi Club
It's time for the Germans (as well as everybody else) to celebrate the day that Italians have enjoyed. This event is a first for our club and will include a joint tour (1.5-2 hours) with the Audi Club Western Pennsylvania, an impromptu car show and a great dinner, car comradery and libations at Narcisi Winery. This is a closed event at the restaurant for just the Porsche and Audi Clubs. Registration will open by June 1.

October 17 | Die Herbstfahrt (Autumn Drive)
This is our annual leaf-peeping excursion! Details to follow.

Important update regarding the Scenic navigation app: Scenic Android version is now live to download and use. For roughly 60 days, you can enjoy the premium version for free and then will have to make a choice between the free version and the subscription premium service. Scenic is also adding red light/speed cameras (the fixed kind) to the app. Make sure that after the download, you update the app software!

Stuttgart Market Letter

by David K. Whitlock

As we headed into December, 2025 had already surpassed 2024's total dollar volume, leaving unit volume and sell-through rate as the final unknowns. December delivered on both, posting a 73% sell-through rate on $44,041,972 in sales with 583 cars crossing the block, a clear improvement over December 2024's 70% sell-through, $30,340,029 in dollar volume, and 462 units. For the full year, 2025 finished at a 72% sell-through rate with $583,660,924 in total dollar volume across 7,572 cars, versus 68%, $493,350,995, and 7,235 units in 2024. The result marks 2025 as the strongest year for the Porsche auction market since the peak of 2022.

For me, 2025 was RUF's year, with five of the top six sales coming from the Pfaffenhausen manufacturer. Three of those top results were original W09 VIN'd CTRs, a car we simply have not seen at public auction in any meaningful way for as long as I can remember. All three claimed the podium for highest prices paid in 2025, led by a 1,000-mile example finished in iconic Blossom Yellow that took top honors at $6,055,000, followed by sales at $4,680,000 and $4,295,000. Rounding out the top six were two CTR Anniversary models, RUF's first fully carbon-tubbed tribute to its 1980s legend, which sold for $3,360,000 and $3,140,000 respectively.

The lone car to break up RUF's dominance in the top six was a 1960 718 RS 60 Spyder, which sold for $3,525,000 at RM Sotheby's Monterey sale. The result was a pleasant surprise, as Porsche race cars from the 1950s and 1960s have had a rough few years, with many failing to sell at auction. Also from the 1960s was the most talked-about car to cross the block in 2025, the 917K hero car from Steve McQueen's classic film, Le Mans. Owned by Jerry Seinfeld since 2001, the car initially failed to meet reserve with a $25 million high bid on the block, but ultimately found a home post-sale at an undisclosed price.

Another surprise from 2025 was the late-year Turbo surge. It was most evident in the 993 Turbo market, where a run of strong results pushed prices well beyond the prior twelve-month high of $270,000, with multiple cars selling over $300,000. Leading the charge was a 12,000-mile Black-on-Black example that nearly added $100,000 to that benchmark, hammering at a final bid of $369,000. The momentum did not stop there, as 964 Turbo 3.6 values also spiked, with two cars selling for over $800,000 in December alone, crushing the previous twelve-month high of $545,000. On the newer Turbo front, the biggest mover of the year was the 991 GT2 RS, where even a non-Weissach example broke through the $500,000 mark, selling at a final bid of $506,000.

Speaking of GT cars, 2025 proved to be a mixed bag. Earlier, more analog GT3s were clear winners, led by a sub-1,000-mile 997.2 GT3 RS that set a new high at $575,000, followed closely by a Green 997.1 GT3 RS that sold for $498,000. The year also marked the first opportunity for 996.1 GT3s to be imported into the US, as we did not receive a GT3 domestically until the 996.2. The start was shaky, with the first example failing to sell at $106,996 and the first successful US sale landing at $100,000. That first car was later re-run and achieved $145,250, followed by another sale at $128,000, suggesting early hesitation gave way to stronger conviction. Not all GT cars shared the upside, however. New 992.2 GT3s struggled, with just one of six examples finding a buyer, and even that result fell short of expectations at $384,000 against an original MSRP of $313,000, well below the early premiums enjoyed by the 992.1 GT3 when it debuted.

It wasn't just modern and modern-classic Porsches that impressed in 2025. For me, the standout classic of the year was the SWB 912 Coupe. We saw three examples sell at or just above the $100,000 mark, with several more changing hands in the $90,000 range, a level that would have seemed unthinkable not long ago. Topping the list for the year was a 1966 912 Coupe that emerged from 25 years of family ownership and brought a strong $100,912, cementing the model's quiet but meaningful move into six-figure territory.

2025 was undoubtedly one for the books, but looking ahead, I expect 2026 to look a bit different. Unit volume should pull back modestly, a trend that already appears to be taking shape as January has produced the lowest number of Porsches currently for sale across the three major online auction platforms that I can remember seeing. On the product side, Boxster and Cayman pricing should begin to level off for standard variants, while special models start to separate themselves. With production of the 718 Boxster and Cayman now behind us and a gas-powered replacement still years away, scarcity will matter more than ever, and if a 000 Boxster Spyder comes to market, don't be surprised if records fall. As always, truly special cars will continue to do special things, and the best of the best will still bring the money. Cheers to 2026.
