PRESIDENT'S MESSAGE

by Linda Scanlon, ARPCA President

"Don't Stop Thinking About Tomorrow" – Fleetwood Mac

Don't stop thinking about tomorrow
Don't stop, it'll soon be here

Tomorrow is here.

By the time you read this, it'll already be mid-June. So don't stop now. Keep turning the pages and looking ahead.

Open your eyes… Why not think about the times to come?

Your time is here. Pick an event - any event. Better yet, pick a few:

- HPDE- Our Award-winning program;
- Driving Tours with Tourmeister Kevin Rhule;
- PTC Lunches with Tom and Mark;
- PVGP – 200 plus amazing Porsches and terrific people;
- Breakfast at The Lot – free coffee, free parking, and plenty of car talk.

Come out and join fellow Porsche enthusiasts who already speak your language.

Don't know anyone yet? Practice the 5 W's (see my April *Rundschau* column).

Volunteer – That's where the fun really kicks up a notch.

(I know you don't believe that but it's true)

Our tomorrow is now. Yesterday's gone.
And yes, it'll be better than before.
See you tomorrow.

–Linda

Motorsport Safety Foundation Grant Award

By Linda Scanlon and Scott Ishler

DID YOU KNOW?

ARPCA's HPDE program recently received a $500 Grant Award as a Level 2 Certification Program from the Motorsport Safety Foundation.

Motorsport Safety Foundation (MSF) is an education-focused, non- profit organization whose primary focus is standardizing education and safety guidelines for the non-racing driving community. It is an organization where the High-Performance Driver Education (HPDE) community can come together and have a single voice, a place to share experiences and concerns and a place to collaborate on improving the sport.

The Certification applies to our HPDE program as a whole, not any individual. Our program achieves this level by meeting set standards for training instructors at formal clinics. It is a hands-on, in-depth program. Curriculum includes classroom instruction and on-track at-speed mentoring exercises, putting HPDE Instructors in a position to become PCA right-seat-qualified and MSF-CERTIFIED.

WHAT DOES THIS MEAN?

ARPCA's HPDE Instructor Training Program is recognized by Motor Safety Foundation as meeting or exceeding standards of professional development for instructors. Like most professions, in-car instruction requires keeping up to date with the latest technologies, techniques, tools and teaching methods. MSF Certification is similar and requires existing instructors participate in a qualified program at minimum every three years to maintain certification – a la "Continuing Education Credits". This ensures our core of instructors is current on latest and greatest innovations with tires, suspension, stability control, auto-braking, etc. and yes, even Apple iPhones and watches.

The Allegheny Region HPDE program has been in existence for almost 40 years (since 1987). It is continually reviewed, refined, and refreshed by our volunteers, to the point where it has now been acknowledged with this Award. Thank you to all the volunteers, past and present, who contributed to this accomplishment and help make the Allegheny Region of the Porsche Club of America the great club it is.

A little rain didn't keep the crowd away. See the full report on page 18. Photo by Jordan Beckham

Pretty much a full house at Angelo's Restaurant in "Little Washington" as our crew of 40-plus took over their private dining area. Always looking for great venues and great food, Angelo's was a natural for our group.

We visited here a couple of years ago, and we were not disappointed this trip either. This month, we had a guest speaker, Gene Fetty, owner of Dent Repair Now in Canonsburg. This is a paintless dent repair shop on Rt. 19. He gave a 15-minute talk about how the repair process works and its capabilities. He was very well-spoken, and his presentation was well-received. He requested and then purchased an ARPCA Club watch! Looks like a new member, maybe!

A couple of hours and a few meatballs later, the April PTC meet-up was in the books.

This month, on June 23rd, the PTC lunch will be at the Iron Bridge Inn in Mercer. Hope to see you there.

Thank you for your continued support.

An in-person watch hand off to Gene! Photo by Mark Frumkin.

PTC –June 23. The Iron Bridge Inn

by Mark Frumkin, PTC Co-Chair

The Porsche Touring Crew is headed north in June to the Iron Bridge Inn, an exceptional restaurant in Mercer, PA.

Part of the Springfield Group of restaurants, the Iron Bridge Inn offers an excellent menu ranging from sandwiches to filets, great sides, and wonderfully fattening, scrumptious desserts.

Approximately an hour's drive from where I'm sitting in Mt Lebanon, the journey will give us a chance to relearn how to use all the gizmos on our P cars and maybe have some pleasant conversation. The manager, Leslie, was very welcoming and provided us with an open menu and individual checks.

We are limited to 35 at this venue, so jump into MSR and make yourself known.

So there it is, an early summer excursion to the hinterlands for some camaraderie with our like-minded Porsche Touring Crew friends.

See you there!

Lioness Martial Arts

No.
(Again)
No!
(Louder)
No!!
"Yell! Use your voice. Let's do it again — with your whole body!"

Obvious, right? But in an extreme situation, can you even breathe?

Our instructor, Mona MacDonald, a certified self-defense instructor and the owner of Lioness Martial Arts, introduced us to the principles of self-defense and empowerment through The Five Fingers of Self Defense.

Throughout the evening, we shared real-life experiences, identified our strongest personal "weapons," and learned to use them against an assailant's most vulnerable targets. We practiced striking, kicking, yelling, defensive stances, breathing techniques, and situational awareness.

Photos by Linda Scanlon.

The evening's vibe was one of encouragement and strength — not physical strength alone, but the confidence that women must trust their internal alarms in potentially dangerous situations, act decisively, remove themselves when possible, and, if necessary, fight back hard enough to protect themselves.

It was an evening that left us feeling stronger, louder, and far more aware of the power we already carry within us.

Join hundreds of your fellow club members, guests from other regions, and friends as we gather on Porsche Field in Schenley Park to enjoy fine automotive culture, vintage races and the camaraderie that defines PVGP weekend. The Pittsburgh Vintage Grand Prix is our club's largest fundraiser of the year with a portion of net proceeds donated through the PVGP charity to the Autism Society of Pittsburgh, the Allegheny Valley School, and other ARPCA - approved local nonprofit organizations.

Porsche Field patrons enjoy high-quality amenities including a catered lunch from Mission BBQ, Dining and Registration tents replete with linen tablecloths, cooling fans, unlimited non-alcoholic beverages, live music, high-value raffle prizes, and People's Choice Awards. The club's PVGP Committee utilizes a streamlined check-in process where attendees register through Motorsport Registration (MSR) and receive an email from PVGP_Reg@arpca.com with a dash plaque and QR code "ticket" as attachments. As members drive up to the Porsche Field, volunteers scan the QR code and have wrist bands, raffle tickets, and PVGP program prestaged at the Registration tent.

Post Grand Prix Nachgefühl (afterglow) event - October 12th, 2026: This year, we're combining the ARPCA Fall Driving Tour with a private dinner and car show at Narcisi Winery. Successful First Big Event of 2026!

by **Jay Malobicky,** PVGP Co-Chair

This year's All Member Dinner produced a record turnout. A total of 107 members and guests, including 20 new members, were in attendance. For three years, Edgewood Country Club has provided the perfect backdrop for welcoming new members to the Porsche Club community.

To facilitate conversation between freshmen and veteran club members, yellow nametag lanyards identify newly enrolled individuals, and tokens were awarded after dialogue ensued. New members with the greatest token count received gift certificates to the ARPCA online clothing store. Every new member was introduced during the after-dinner program and asked to share their motivation to join the world of Porsche.

A special thanks to Linda Lorenz for coordinating with the Edgewood staff to organize this auspicious event.

GRAND PRIX LONG BEACH

BUCKET LIST CHECKED OFF

Article and photos by Tom Wiles, ARPCA Member

My bucket list received a big checkmark in April at the Grand Prix of Long Beach. It's the only race weekend in America where you can vibrate to the ear-splitting whine of GTP and GT3 RS rockets on Saturday and then relive that glorious sonorous growl of the even faster IndyCars on Sunday! And there are no more beautiful ocean seashore and yacht basin vistas providing the aquamarine racing backdrop, save perhaps, the F1 experience of the Grand Prix of Monaco.

In addition to these two premier afternoon race series, the all-day packed schedule included a historic race car event, the Porsche Carrera Cup series in the mornings, and Formula Drift racing in the evenings. There was truly an event for every race fan, as well as a host of other venues, concerts, and events to visit within the confines and surroundings of the famous street course.

If you can attend only one of the three days, I would suggest Saturday, which featured the IMSA Weathertech Race running the GTP hybrid Porsche 963s and fan favorite GTD T-Rex liveried "Rexy" and "Roxy" Porsche GT3 RS cars. Saturday's line up also included three IndyCar practice sessions and IndyCar qualifying rounds, giving fans the opportunity to see race cars in action from both major weekend events.

My viewing perch was atop the Hyatt Hotel Vista Club located within the race course. It overlooked the pits and afforded a magnificent bird's eye view of two thirds of the street course's straightaways, tight corners, and the beautiful beach and yacht basins. There are three other premium viewing sites around the course, as well as general admission bleachers.

In spite of the Porsche teams only claiming a third place GTP podium and a middling GTD performance, my family crew unanimously awarded the entire Grand Prix of Long Beach experience a first-place trophy!

Porsches at The Lot

by Stu Wirtz, *Rundschau* Co-Editor

Rain and cool weather didn't dampen the enthusiasm of many ARPCA members who gathered for the first Lot meeting of the year, enjoyed coffee from Porsche Pittsburgh and a fine breakfast, and, despite the rain, saw a host of interesting Porsches.

President Linda Scanlon presented ARPCA's Ted Dixon Award, given annually to the Club's "MVP" for service over the past year. Named for Ted Dixon, a long-standing Club member until his death in 2006 and a close friend of the Porsche family, the award honors his legacy. Ted built a lifelong friendship with the Porsches after being introduced through his work as an industrial consultant in Europe following World War II. He became the godfather to Ferry Porsche's sons. Ted's wife, Margaret—also a longtime ARPCA member until her passing at age 100 in 2015—was close to Ferry's sister, Louise Piëch.

This year's recipient is Mark Hanson, an ARPCA member for over 30 years who has served our Club as President, Past President, and Track Instructor, among other roles. He continues to serve as ARPCA's Club Historian, always helping out behind the scenes. Mark is also the PVGP Registrar and is instrumental in making that marquee event a success year after year.

ARPCA highlighted member and Porsche brand vehicles

Coyote Black, Monroeville, PA, Member for six years. Current: 2000 911 Carrera and 2017 Macan S. Former: 2011 Cayman S Interseries Race Car and 2009 Cayenne (tow car).

Data Points

35 years old, business owner, professional body piercer, racing instructor, racing driver.

Family

My beautiful girlfriend Brianna, and my son Rylan! Shout out to my Mom Debbie for dealing with my shenanigans through the years.

ARPCA activities

Rosedale Tech party, hangout at The Lot, and the Der Treff trip.

Best Porsche memory

My first win in a professional series in our Cayman.

Other interests

Auto racing, motorcycle racing, film photography, painting, guitar, skateboarding, Magic: The Gathering… too many.

Musical tastes

Massive Attack or Portishead.

Food preferences

Vegan junk food; the vegan breakfast sandwich at The Lot is amazing. Coffee at Annex in North Side. That place is awesome, and the owner Jason is a huge Porsche fan.

Your automotive news sources

The various bombardment of internet news sources in my feed on any given day.

Your dream Porsche (cost no obstacle)

Tough call, but probably the 935 (bonus points if it's in the old apple livery that they recently brought back to life). The Rothman's livery 962 is a close second.

Favorite Ferdinand Porsche or Ferry Porsche quote

"I couldn't find the sports car of my dreams, so I built it myself." This one rings particularly true. I'm quite proud of our Pittsburgh based race team Mezzanine Motorsports and the work we've done turning cars into race winning machines. Mike, Joe, and Chango - you guys rule!
